Sep 11, 2013 OBD OBD2 S-EOL-F-BMW20P 16 Pin Connector Diagnostic Adapter for BMW. Carsoft 6.5 SP1 = Hacker beta PC diagnostic software service pack 1 . Unable I have the same issues. I have made up a solution for you. It's an app that I have used previously. You can post your results here and I will answer you. When you add the file I listed you can download the file and paste it into your CarSoft folder and it should work. If not I will post my result with my fix tomorrow. FWIW, the one that had the issues for me in sp1 was in Windows Xp and not any later OS. I was able to install CARS on Windows 7 and it worked. Hope this helps. Feel free to post your results here. Potential impacts of the Northern Border Pipeline project on groundwater recharge in the Copper River Basin, Alaska. The Northern Border Pipeline project is proposed to transport up to 500,000 Mcf/d of natural gas across the Interior Alaska Peninsula and up the Copper River to coastal Southeast Alaska. The project consists of three pipelines (BG, East Line, and West Line) covering a distance of nearly 9,000 km with an estimated average annual pipeline pressure of nearly 140 kPa. The Northeast Alaska Land Trust (ELT), a coalition of 13 regional Native land-owning organizations, has been involved in the project design phase, and at present the project has received no approval from the United States Army Corps of Engineers for work to begin. The project developer, Newcastle Pipe Line Company (NPC), completed the design phase of the project in 1997, and presented the study to the U.S. Army Corps of Engineers as a comment on the draft Northwest Regional Environmental Policy Act (NEPA) documents. Although NPC's study did not analyze the potential impacts of the project on
