and more in less than two seconds! In addition, it allows you to customize the mouse buttons and scroll wheel. With device-specific status and notifications, Logitech Options gives you more information than ever about your Logitech input devices. Using Logitech Options, you will be able to see your remaining battery life, hear whether the Caps Lock key is on, or know whether your mouse has detected a motion. With Logitech Options, you can share your favorite keyboard shortcuts across many devices, so you don't have to remember all of them! What we liked - A complete set of functions for all Logitech devices - Key remapping and all the buttons and functions of the mouse buttons - Option to share keyboard shortcuts with other Logitech devices What we didn't like - Unclear what all the words mean - The software's lack of functionality How old is Logitech Options? Logitech Options supports all Logitech devices, but some of them may not work on your current OS version. Specifically, Logitech Options requires an OS update. You can find the latest updates for your OS from the Logitech website. Recommend Logitech Options? If you are a Logitech user, then Logitech Options is definitely a tool you should have on hand. Not only does it support key and button customization, but thanks to its gesture control feature you can become more productive overall. Calcium regulation and release in human lymphocytes. The effect of increasing extracellular  $\text{Ca}^{2+}$  on human lymphocyte function was studied. Proliferation was markedly inhibited when the cells were exposed to high concentration of  $\text{Ca}^{2+}$  and the level of  $\text{Ca}^{2+}$  in the culture medium was adjusted to maintain a constant  $\text{Ca}^{2+}$  concentration at approximately 0.5  $\mu\text{M}$ . A similar inhibition of thymidine incorporation was observed when the cells were exposed to thapsigargin, an inhibitor of intracellular  $\text{Ca}^{2+}$ -ATPase. This inhibition was prevented by the addition of deoxycholate, a bile acid which has been shown
