I've been using Massive for about 2 years and I still don't know how it works. I can change all my settings, but I still don't get any sounds. Audio Microtools most used VST plugins Dec 27, 2016 There's some really powerful synth presets for Massive in Element 8 which makes it a lot of fun for once. I haven't noticed anything comparable to Massive in Reason but I'm sure there... Jan 10, 2018 Things you can do with Massive VST If you're looking for a feature-rich, VST instrument that doesn't require an expansive knowledge of programming, you need to know about... Apr 26, 2019 I have been using Massive VST through the use of flash maker studio for almost two years now. I have noticed a significant difference in sound quality between my old preset packs and the one... Jun 26, 2018 I would say the Massive VST is not as good as the simmons pro in terms of functions and sound. It is, however, very good and it is the only one that gives you a good start to explore... If you'd like to try a free VST, that has the same sounds and characteristics as Massive, you can try the most used VSTs here at AudioMicrotools: Sonicor VST Bundles. Sep 04, 2018 You can add effects such as reverb and delay to the Massive VST. Some effects might have different parameters for Massive and in some cases they just aren't updated for this VST software. Sep 09, 2017 A midi controller like nord effects provides a similar level of functionality to the Maxilogue. Nikki Zarelli has been using this synth since 2014, and I have a feeling it will still work for her in 2021. Sep 16, 2018 It's such a nice piece of software that I decided to give it a 2nd try. My disappointment was that I didn't find the "Original" presets available for download. I'm not a programmer so I'm not that... Nov 15, 2017 I mean, I don't know anyone who can tell you what a Massive sounds like. So, no one who works professionally is going to be able to tell you what its sounds like. I don't know what you're doing for a living, but I love the way you put words together. Oct 06, 2017 I'm looking for a V
