March 24, 2016 - . िँिँ'è!łiŠꣳ(Eclipse) ObjectAid Sequence Diagram Eclipse PlugIn. The objectaim(Eclipse) ObjectAid SEVEN is a new object-aid plugin to help the researchers and students who dealt with large objects. This plugin adds an aesthetically pleasing interface to the object-aid SEVEN interface, allowing users to view objects in an attractive way, and to enhance the content of object-aid SEVEN's user interface with the objects. Both the user interface and objects can be used to create, inspect and analyze objects.
