If you're a fan of film from the '70s, you've probably come across the work of Skip Williamson, a long-time collaborator of actor Clint Eastwood. From the '70s straight through to the present day, Williamson's landscapes are magical to look at, and his series of films for Tri-Star is a prime example of his work. In Tri-Star's "Smog Monster", Williamson plays it perfectly straight, from a flat, muted color palette to the static shots of San Francisco, as the sun gives a little bit of life and personality to the otherwise plain shots. It's a straightforward, unpretentious, and free-spirited film that recalls the makings of summertime and the memories that have been left behind. Want more? Check out Williamson's "Dirty Pool", "The Line", or the rest of his series for the Tri-Star label. Lightweight MP3 music player. It has complete directory and tags support, and it is easy to use.
