I want to reinstall my AutoCAD 2008, but the activation code is missing. I didn't have it now. ... Autodesk Inventor 2019 Certified Professional Student Edition - English (XAMX) I uninstalled AutoCAD and then I tried to reinstall it, but I have an activation code. I didn't have it now. I don't know where I started, so I tried to find it, but I can't find it. I tried running it with Autocad and I get a dialog saying it's required for activation. I tried uploading it via file but it doesn't work. I do not know what to do. I can't use AutoCAD until October 2018.
