
Ninja Assassin 2 Full Movie Download

The movie didn't take itself seriously, which is why fans love it so much, like the Wachowskis and . The film is not all that smooth for me. If in terms of plot and scenery everything is fine, then the acting is not particularly impressive. They played a little dry. Yes, the movie is good. I would even say that this is one of the best films in the style. And this despite the fact that I'm not a fan of this genre. But it's still worth watching, if only because of a great idea that is still relevant, and which has not been fully implemented. 8 out of 10
