Everything you love about Tetris meets everything you love about portal. Enter the mindscape of Psyshift, a time shifting portal arcade game that is a tribute to both of these great puzzle games. PsyShift is a unique blend of Tetris meets portal. You will use portals throughout to teleport, phase, wall jump and bounce your way through a complex mazes of puzzles and time shifts. It is up to you to find the shortest path through the portal zones, while still finding the portal that will put you on the shortest path to your destination. The time shifts will take place in various time zones including the 22nd century, and on planets from various space eras such as go, sf and rockets. You will find your journey to be more of a cosmic journey that incorporates many styles of tetris and portal puzzles. The difficulty you face will truly be up to you. The more challenges you face and overcome, the more points you will earn. If you are a fan of 'portal' you will love Psyshift. Just be warned that it will be challenging and you might have to come back multiple times to figure out the easiest method to navigate the maze of portal zones. All of this is for the best. It forces you to think creatively and to use a different strategy in order to ultimately come out on top. 3D Unity-style portals will be used to transport you through. The system will feature 6 different portals. PSY SHIFT IS ALSO AVAILABLE ON THE IPHONE, IPAD AND IPOD TOUCH Use the swipe and tap to control the ball's movement and direction.
