CS Stats

Get your CS rankings and progress from CSstats.com See CS Stats features and screenshots here: Questions or comments? Please use the contact form on the CS Stats website: Useful Links: Blog: Support: Instructions for the CS Stats module include a total of 15 pages (17 if you include the first page). To ensure the most efficient operation of your CSR, please read the first page first. The instructions for this module only explain how to use the leader board and the rankings. They do not explain how to get your actual statistics (things like gold, kills, deaths, captures, objective, etc) but this information is available to you on the website (for free). Please note: CS Stats contains affiliate code. When the CS Stats button is clicked, you get redirected to the advertiser website. CS Stats allows you to get CS Ranks and statistics for several player IDs CS Stats also allows you to find players by nickname information from the popular PsychoStats module. Requirements: [] Yahoo Widget Engine CS Stats Description: Get your CS rankings and progress from CSstats.com See CS Stats features and screenshots here: Questions or comments?
