Orthogonal projection onto a subspace Let K be a closed subspace of H . Let P be the orthogonal

projection from H onto K . What is the minimal length of the support of P ? I know that it should be somewhere on K^\perp . But I can't determine how to get there. A: Since $P(H)=K$ and K is closed, we have $P^2=P$. Now from $\langle Pu, v \rangle = \langle$

Double Kick Heroes

YVONNE is a 4-move puzzle game in which you must find a way to match an enclosed group of identical objects before the 4 moves are up! The idea is to link two kinds

of objects: the wall segments and the stars. A wall segment connects a series of connected stars and moves around the grid, following the same pattern as a wall. Stations can be placed on the wall segments to form a bridge. And when a star reaches the end of its path, it lights up! YVONNE consists of 3 puzzle categories: Puzzle Solo, Puzzle Challenge and Puzzle Experts. Puzzle Solo Mode: In this mode, you must finish every level within the time limit of 5 minutes! Puzzle Challenge Mode: The time limit is fixed. You have to solve the puzzle in the minimum number of moves possible. Puzzle Experts Mode: In Expert Mode, after solving a puzzle, you can freely move the status bar to test all the possible solutions. Save all the time to solve a puzzle. As there is no penalty for a mistake, even if a solution is not the correct one, you can try over and over again until you get the right one. Tip: If you are in a hurry, you can set the level of difficulty before you start playing. This will help you solve the puzzles in a much shorter time!

Features: ◆ 3 difficulty modes: Puzzle Solo, Puzzle Challenge and Puzzle Experts. ◆ Various wall segments and star patterns. ◆ Various game room scenes. ◆ Various menus. ◆ Multiple game room scenes. ◆ 6 languages (French, English, German, Spanish, Italian and Japanese) ◆ Various game room scenes. ◆ Various menus. Share your puzzle collection with your friends, or even your family! Caution: Do not play the puzzles by yourself. Make friends to share and enjoy the puzzles together. Puzzles: ◆ SOLO Puzzle Solo: Find the correct matching object within the time limit. ◆ CHALLENGE Puzzle Challenge: Solve the puzzle in the minimum

number of moves possible. ◆ EXPERTS Puzzle Experts:
Solve a puzzle and then check all the possible solutions.

The sweet spirit of Valhalla. Fate/EXTELLA LINK These costumes are in order of appearance in the game. **NOTE:** The official logo applies to all costumes that feature it. - Costume names are taken from the postcard used at the end of Fate/Extra (the same applies to Astaroth, although the postcards for Fate/EXTRA were used for Astaroth's version too). - It's a mystery who came up with the model for the Tel-Qatamine. (I took the circles for inspiration.) **NOTE:** All the costumes shown here are shared by various Servants. You can only obtain one main Servant (as an alternative, see [cross game cosplay]) and any other Servants will be part of side conversations (→ Who Are You?). Model on left, official poster on right, Art on the right. **#1: Fate/EXTRA (Priest, Saber Extra "Hijikata" & Saber Extra "Hokuto") (Fate Extra) Servants (5) Holy Trinity of the Holy War Hikaru "Hijikata" Irie (イリエ ヒカル, Irie Hikaru) (イリエ ヒカル, イリエヒカル; イリエヒカル, イリエヒカル; イリエヒカル; イリエヒカル, イリエヒカル; ヒカ, ヒカ, イリエヒカル, ヒカ; イリエヒカル (vernacular), イリエヒカル; ヒカ イリエヒカル))** Hikaru is the eldest daughter of the Irie family and she is also known as Hikaru Irie. She is Servant #5 and her weapon is the Jaguar's Spears blessed by the Holy Trinity. Due to her old age, she is treated with respect as Servant #5 is called "An Old Lady" (イリエヒカル). However, she retains her youthful looks, and also her

Knights of Pen and Paper is a tabletop RPG inspired by the pen and paper games of the '90s. Join your heroes on the journey of their lifetime, from humble beginnings to world domination! Play anytime, anywhere, and with whomever you choose: your friends, your family, your enemies. You even get to name your own character! The game system is designed with streamlined rules that make it easy to get into and play, but the depth allows for "fusion" play, where you can mix and match the powers of your heroes and battle with their party-mates. Choose from a variety of available classes, customize your party, and pick from dozens of races to create your own unique heroes! Download the adventure at www.KnightsOfPenandPaper.com

Features: Over 80 hours of gameplay with two unique time periods (ancient and modern) to play through. Unparalleled character customization. Each character class features 12 skills and dozens of weapons, armor, and items to create your ideal party. Tons of classes, with unique abilities for each including the Exotic class. Over 30 races with different bonuses and abilities. 12 skills for every character. Detailed character descriptions with expanded backstory, including character evolution, to give you all the details you need to build your world. Tons of race evolution systems to choose from. Multiple romantic relationships to develop with your party members. A unique turn-based combat system with interesting battle animations. Detailed turn phases, with over 30 different effects. Over

30 special abilities. Over 40 locations and towns to explore. A wide variety of enemies to bring to battle with your heroes. Multiple treasure maps to find. An "almost" complete manual, including all the rules and tips to help you start playing! Two versions of the game: the Hero Hack offers classic gameplay on mobile and tablets with simplified, self-contained rules. It includes the full version of the base game and all stretch goals added. The Hero Hack is ideal for anyone who just wants to experience Knights of Pen and Paper. The Hero Hack does not include any in-game purchases and does not contain any unlockable content. The Hero Hack is currently 100% unlocked. The Hero Hack content is not included in the full version of the game, and will only work if the Hero Hack version is downloaded instead. Note that
