The game is an action RPG set in a world where everything is controlled by evil entities called Darkkin. If you take matters into your own hands, the best you can hope for is to stand a chance of driving them back to the underworld. The goal is simple: in the world of the plot, the underworld is

controlled by the Skeleton Queen, and it is up to you to hunt her down and destroy her in her lair. The campaign features her main hideout, five other dungeons, over fifty different bosses, many special minions, hundreds of loot, numerous weapons, and infinitely more. There are also five PvP modes where you can challenge other players to see who can run up walls, who can find the items before the other, etc. Key Features: • PvP Modes : Rumble and the campaign, also playable in coop multiplayer mode • Incredibly detailed world with randomly generated loot • Highly replayable, thanks to a mechanic that lets you switch up builds on the fly • No game time limit, free! • Fantastic music soundtrack • Both Curses and Scorn Glyphs are fully functional • You can actually hurt your coop partners in PvP • Can join any existing coop group and participate in the campaign mission without them knowing • Can group up with any single player into a party of up to 5 players • Hundreds of monsters, special minions, and bosses • Multiple weapons, armor, and magical items • Special items, like a Vorpal Blade and Crossbow of Death • Time for revenge, take your revenge on a kingpin who stole your stuff. A mission is all you need. - Mini games - Puzzle - Shooting games - Level editing - Physics, all sorts of obstacles - a lot of rooms, items and decorations - 7 tracks, 6 of them locked and a seventh you have full control over to design your own one. - Music during the game. - Superlaser Disc features and Pro mode to unlock the tracks and speed up the game. It has beautiful graphics, a good idea, it has a good management level and a good community and I recommend it to everyone.

DesafioXyBadTouchA simple game where you control the character with the mouse. Mueve, taladra... ACOATASWhat can I say? A great game with good graphics and sound. The animation is excellent. If you like platforming games you'll like this one. Highly recommended. Mueve, taladra, mueve, taladra, mueve, taladra, Mueve, taladra... Games with achievement

Toca Racing What can I say? The game was released at a good time, but has since lost steam. The same happened with the game The House of Impossible Doors. This is a shame since the game has a good rating. Mueve, taladra...Toca RacingThe game is easy to control and has a great track design, great graphics and sound. The player collects coins to unlock new cars. The player must maintain control of the car by making way through the forest of obstacles and spikes. To do this, the player must drive off the cliff and through the grass and other obstacles, and should avoid hitting any of the trees or spikes that they see in the field. mueve, taladra, mueve, taladra, mueve, taladra...Toca RacingThe game is easy to control and has a great track design, great graphics and sound.
