Rise, Tarnished, and be guided by grace to brandish the power of the Elden Ring and become an Elden Lord in the Lands Between. The new fantasy action RPG is ready for you to experience the epic charm of a medieval setting, and emerge as an Elden Lord in the Lands Between. Become the bravest and strongest of the guardians of the Elden Ring, and battle with a huge variety of enemies. The role-playing game takes place in the medieval fantasy world of Ruserei. The world has been splitting between two opposing countries: the Elden Ring, an embittered nation with a tragic past, and the Elthesia, a nomadic and warm nation where the people are characterized by their great care for one another and their earnest excitement. After King Eugene of the Elden Ring fell into an unforgiving slumber, an inauspicious day dawned on the Elthesia, and a civil war erupted. At this time, the Elden Ring secretly formed a nation and chose a leader to restore peace to the region. They put the newly appointed Elden Lord at the head of the Elthesia, and the two countries finally became one. However, the Elden Ring was never able to completely forget its past, and the nation was plunged into stagnation. A great civil war broke out in the Elden Ring, and, among the Elder Guardians, the Tarnished became impatient and jealous, and the people became agitated. They cultivated countless false Elden Lords to inherit the rule of the Elden Ring, but they were all disqualified after inheriting the kingship. The Elden Ring was gradually becoming fractured, and a plethora of clans sprang up to form their own nation. The Tarnished, branded for their misguided actions, have been under banishment. Only an uninhabited, uncharted place between Ruserei and the Elden Ring has remained. The Tarnished was stripped of their nation and land, and their power has been broken. They have been exiled to the desolate Lands Between by the Elder Guardians. Their only lifeline is the Elden Ring. Since the end of the war, the Elder Guardians have left the warring Elden Ring, and have conducted an arduous journey that has brought them to the Lands Between. Since then, the Elder Guardians have lived among the people of the Lands Between. But the Tarnished are still the smallest of the Elden Ring, and their status is not equal to

What's new:

A fresh breeze rustled through the Forest of Mendly, blowing the fronds of the leafy trees gently to the ground. Tavryn, whose armor gently clinked with the song of the swirling wind, walked along the main road of the forest. "You will succeed. They are only a wolf and a deer," the young elf woman said in a weak, hoarse voice, and giggled. The air around her began to dim, and the sparkle of the air became dull. Immediately after, the ground began to vibrate as the girl turned her attention away from her surroundings. From the ground rose a shattered and blackened tree trunk. The twisted roots that sprouted from the ground began to burst into flames. "Pharos, it is he! Pharos, the strongest of the forest and a warrior amongst ordinary beasts. Should I embrace his life? But for how long could I live in his shadow? Still, the opportunity to die with my heart's desire may be far beyond reach. To live, I must defeat Pharos." The old priestess, Dayna, raised her gaunt face as a pair of hands fended off the wind. She smiled and, to her satisfaction, watched as the sky became serene. "The power you are exerting to fight Pharos is more than his. There is also a dwarven servant of the Mourgoth, Come forth, Pharos. Your time is up," the priestess called out to the brute. The cold and lonely mage gave a low hum as he began to tremble. "Pharos. We waited for years. You have been the greatest mystery of our lifespan. We want to see how strong you are. We will travel to the end of the world to compete against you." "The Dwarves will not give up and will come seeking you to renew their feud with the Elves. Their hatred and anger grows. What is this truly about?" As Dayna raised her face to the indifferent sky, there was no sign of Pharos, only the wind and a thick cloud of dust that stirred in the air. Footsteps. Tavryn turned her head to the left, and with the sound of leaves and dust parting, a man walked into view. —The Tavern of Pharos— This
