A Brief Description of the Engine ![Engine](images/archi-4.png)

#### **Features Key:**

**Simplified Interface** While maintaining the feature-rich game play of Graces F, players can immediately become immersed in an exhilarating fantasy adventure through the console-like interface and battle.

**Unrivaled Battle Action** Utilizing the same battle system as the PC version, a wide variety of types of characters can battle together in party co-op. You can custom-create your own character, build up your battle power, and adventure with with the top-notch 3D scenery.

**Advanced and Beautiful Graphics** Graces F: Elden Ring features advanced graphics suited to SEGA hardware that draws you closer to the game and feel of the Graces F universe. Battle graphics have also been improved to more beautifully depict the fight scenes and the huge CGs in the game's story.

**Enter a Vast World Full of Depth and Excitement** Graces F: Elden Ring's story takes place in the Lands Between, the borderland between the world of humans and the phantom world of the Graces. The large unexplored land features an open world free from hindrances, or dungeons, of the classic RPGs of old. Utilizing the exploration mechanics of Graces F, you can freely fight powerful enemies anywhere and discover a vast amount of action in the game.

**Create your Own Character** You can freely choose a gender, equipment, and magic types and then develop the character you designed, granting you an entirely unique experience.

**Epic Online Play: The Online World Can Be Felt** You can directly connect with other players to battle or take part in character talk and other various activities in real time.

**Online Protection** A no-fee user account, which grants you access to a variety of features in both single-player and multiplayer, is provided to protect your online environment without excessive fees.  
Optional Voice Chat Software Included
