A: One of the few textbooks that I've found that deals with DQM in depth, but focuses very little on the technicalities is Joachain's Advanced Quantum Mechanics by Bransden, Joachain and Peirls. It's not online, but is probably available in libraries. Q: Ipython Notebook
Rmarkdown: Error when using read and read_csv I've been struggling to solve this for some time. I have an R markdown file that looks like the following --- title: "Test" output: html_document --- ```{r, echo = FALSE} library(readr) # example data file
rmget("1KHz_data.Rdata") # # read file and read values df 1c3b36666d
