For instance, here's one of our carpoolers who had to go to the bathroom. He also had to get something out of the car for the girls. He called me all the way from the middle of a last-minute vacation and asked me if he should pull over. Did I mention he had a 3-year old daughter in the car and a 4-year old girl with him? That is, while I'm having my own disaster of a morning, we're rescuing a family whose kids have been kidnapped by some distant relative. There will be no stopping the Down North Express now. 1 comment:
