Wondershare PDFelement is specially designed to support office documents. You can cut, copy, rotate, crop, scale, attach files, and save any PDF documents. PDFelement is also a professional PDF tool for digital marketing.Article content Jagmeet Singh's speech at a rally Saturday at the NDP convention on the edge of Saskatoon's Meewasin Park was the closest thing the party had to a show of emotion over the coalition. Only Singh, his voice quivering, his eyes filled with tears, mentioned his national caucus colleagues, who were busy in the hotel preparing a statement supporting the NDP as an NDP member, as they call each other in caucus. We apologize, but this video has failed to load. tap here to see other videos from our team. Try refreshing your browser, or A rousing Jagmeet Singh sees emotional hug with his New Democrats as caucus embraces progressive alliance Back to video "Just to know that so many of my colleagues, who have been involved for a long time in politics, who I'm no longer associate with, who I've been in tough situations with, are here because we are fighting for what we believe in, and we think that is," Singh said, pausing. He smiled as he looked at the NDP delegation. "And when we connect together, we are strong. And that is what I feel we are, right now. I do." Singh, speaking to reporters after the rally, didn't say anything about former prime minister Stephen Harper's recent call, in the wake of the election results, for progressive parties to join forces.Sooo, it's me again… still trying to wrap my head around this whole ADHD-2 thing… But, if you've been reading my blog, you know I'm pretty particular about having things labeled appropriately… One of those things is ADHD-1 & ADHD-2. Well, I thought I had an ADHD-1 all figured out, because I've had it for the better part of my life… I was diagnosed with it at the ripe d0c515b9f4
