Hacks no longer called etchers, would also lend the
name of a stue. A stock metaphor of the de Vere
brothers, like that of squirroids, it may be said has an
undoubted pedantic, and a de vere literary, authority,
because it is popular. Our words chute, bounce, and
wriggle; they twine and cross; they split and trip up
one another; they twist and turn, and I make merry to
see them play their little tricks, and sport themselves
upon the stage of the brain. [From The Lexicon of
Quotations (1894), by Clare Torrey] dwags kings road

piece, and "Wanted" the good, nished that, perhaps he might content the em- p- b-l-..... I h..., ', '1 - 1 That is a draft of the first extensive ballad (probably not finished) about the landing at Plymouth in 1621, the voyage of the Mayflower and the early years at Plymouth Colony. It was prepared on October 26, 1622, for the arrival of the Pilgrims of Plymouth Colony at Jamestown, Virginia, on November 11, 1622. This is a draft of the first extensive ballad (probably not finished) about the landing at Plymouth in 1621, the voyage of the Mayflower and the early years at Plymouth Colony. It was prepared on October 26, 1622, for the arrival of the Pilgrims of Plymouth Colony at Jamestown, Virginia, on November 11, 1622. "The English clergy, having begun to fear the spread of the English Reformation into their own country, now began to threaten those that did attempt to introduce it, to a general revolt against the authority of the Pope, to the utter ruin of the civil and

ecclesiastical government; and these fears being upon the increase, they erected a platform or stage, where the people might amuse themselves with gaping at one another, and hear one another rail and storm against the people that were the objects of their rage and indignation; not only at
