St. Louis Handi-Hacks News and Tips for Homeschoolers.Warning: Spoilers for Game of Thrones through episodes eight and nine. Game of Thrones doesn't seem to like expectations and by the end of episode eight, the creators have decided not to kill off anyone. They've decided to take their time. And they really can't do that. The audience is so invested in the characters, and they've been doing it for so long. So it's really tough to pull back at this point. But according to new casting information from The Independent, it looks like the second half of the season will offer some big shocks. It might just be a good thing that some of the characters have actually managed to leave the Game of Thrones universe through the end of this season. Not that they're dead, mind you. But they're actually making their way to live better lives. The casting report from The Independent reveals that Maisie 6d1f23a050
