Rheen Profile Joined March 2010 United States 738 Posts #18 Download code 010114-319515.exe then go to the RAR console and type: unrar e result_file.rar result_file.rar is a file named result_file.rar. your job is done :D Explanation: 010114 is the serial number of the map, 319515 is the date of the downloading of the map in your area Hope this helps, nice to have free maps!02010-11-23 00:42:40.000Z0022-11-23 00:42:40.000Z tcaldwell Profile Blog Joined November 2010 Canada 8205 Posts #19 I just found this file. Is it possible to move the map to any folder? MartinRickeigh Profile Joined May 2010 Germany 160 Posts Last Edited: 2011-10-11 02:50:46 #20 Map probably should be downloaded as an ISO. The torrents are already set to be downloaded as an ISO, so opening the iso with 7zip and then moving the map may be good enough. On October 11 2011 22:48 tcaldwell wrote: I just found this file.
