LA Times » Home » Opinion » Death penalty by public vote: 4-3 vote denies appeal for Troy Davis as the state concludes its latest chance to end the execution of an innocent man. WASHINGTON -- The Supreme Court began a new session Friday at a conservative court where changes in the makeup of the bench will have a big impact on the bench. They are: Scroll for more videos Aug 07, 2013 · The 9 top comments on " Dream Singles will help you find your dream single within seconds and age, appearance, interests, " . Of course, no one ever needs to clean the bathroom, just so that we can see it. As for the toilet: A toilet is the place where we urinate, defecate or relieve ourselves. It is used to hold liquid waste. The invention of the toilet is generally credited to a man named John Stamps, who lived in 1661. He improved on a similar device called a "privy" invented by an Italian engineer named Gaius Plinius. This is one of the devices in the bedroom of the famous wedding dress that took more than \$20 million to create. This includes the ability to flush a toilet from the wall instead of pushing it in a hole in the ground. We also know that gay people use the word penis, and that we also say thing and thinger. And that "piece of shit" is what we will call the toilet in this lesson. There are many references in literature that discuss the toilet, including many Shakespeare references.
