Q: How to return records from the last 30 days I am trying to return a set of records from a table that is log and have a date column and it's a decimal. For example: Date | Value 01/03/2015 | 0.33 02/03/2015 | 0.33 03/03/2015 | 0.42 I'm trying to figure out how to return the records from the last 30 days. I have tried the following: SELECT Date, Value FROM TABLE WHERE Date > DATE\_SUB(CURDATE(), INTERVAL 30 day) I have also tried doing (Since CURDATE() returns the current date) SELECT Date, Value FROM TABLE WHERE Date DATE\_SUB(CURDATE(), INTERVAL 30 DAY); This will select all records between 1/1/2015 and 1/31/2015. A: You need to select from the table first and then use an ORDER BY at the end. Try this: SELECT Date, Value FROM TABLE ORDER BY Date DESC LIMIT 0, 30 Q: Reasons for extra server usage A few c6a93da74d
