## **City Car Driving Product Key And Serial Number**

march 27, 1967, danese made a written complaint to the springfield police regarding the march 20 larceny of the gto, signed and sworn before chief of police t. l. gailey. in said complaint danese related he had seen guerro steal the car and claimed to have witnessed the theft. the complaint was not detailed as to how danese claimed to have seen guerro steal the car or if he had actually seen guerro. (4) on march 29, 1967, an urlacher tourer, new hampshire registration number 125e, with the same license plate number 125v, as the 1966 gto was found parked at the rear of the burdets garage in worcester, the car had apparently been ransacked by an unknown person or persons and left its doors open. its front doors were jammed so tightly closed that only the first letter of the car's new hampshire license plate "e" could be seen. nothing else was in the car. (5) on april 4, 1967, \$930 was stolen from the royal bank of toronto trust company of toronto, canada, by an unknown person, using guerro's and william larson's new hampshire driver's licenses, the \$930 was taken from two separate accounts belonging to henry j. bennett at the royal bank, neither guerro nor larson had active accounts at the royal bank. (6) on april 23, 1967, an urlacher tourer license plate 125e, matching the description of the urlacher that had been stolen from the burdets garage, was found by

1/4

police in the parking lot of a worcester parking lot, the license plate was missing its side license plate and its former dealer's license plate. a 1967 p-85 numbered 8338m, was mounted on its back, the license plate had been covered with cellophane and its lock removed. (7) on april 24, 1967, a search warrant was issued by the municipal court of springfield, massachusetts, directing seizure of an urlacher tourer with the new hampshire registration number 125e and was located at a garage on fleet street in springfield, the car had not been started or driven, several burdets' garage tools and equipment was found in the car. a 1968 henry j. bennett new hampshire title and registration certificate was also found in the glove compartment. (8) on may 3, 1967, an urlacher tourer, new hampshire registration number 125e, as described in paragraphs 4 and 5 of the affidavit, was found parked at pagnotti's garage on haverhill street in lawrence. the car had been ransacked and the two tires had been cut off and removed, the engine was warm, the owner, mrs. kenneth lee, testified that she had had the car garaged for seven weeks and that it had been missing for one week, mrs. lee had no other source of income and the car, a 1968 chevy, had a value of \$2,000 to \$2,500. police were still trying to determine whether the car was stolen.

## City Car Driving Product Key And Serial Number

the april 7, 1968, search warrant and its supporting affidavit, detailed five separate incidents involving guerro since october 5, 1966, when guerro was confronted by chief of police ronald h. taylor and officer michael mccarthy while driving the stolen pontiac. there had been four incidents where guerro had been observed to be in possession of stolen vehicles. on october 5, 1966, police received an anonymous call advising them that guerro was in the possession of a 1966 pontiac gto bearing new hampshire registration number 125v, stolen from dover,

new hampshire, on october 3, 1966, the whitcomb parking lot, to their excitement, they observed a burgundy gto convertible enter the parking lot and drive toward the whitcomb machine company, the vehicle bore the same number as the one on the whitcomb license plate they had obtained earlier that morning, they began to follow the vehicle, as the gto pulled into the back of the whitcomb machine company, the officers pulled the car over and approached the vehicle. the officers observed a small, dark-haired, dark-complexioned woman in the front passenger side of the car. they asked the woman for her driver's license and she informed them that her name was mary anne parsons and that she resided at 476 jackson street, manchester, upon requesting that the officers check the license number of the car, the woman stated that the vehicle belonged to a friend of hers who was out of town, the officers returned to their car and ran a check on the license number of the burgundy gto and found that the owner of the vehicle was 5ec8ef588b
