by-the-way, i have been to this site before and i also kind of remember reading interesting stuff in it so i guess i'm not completely new to this. i'm just saying that if you are looking for just an ordinary blog that focuses on just movie reviews and things like that, you're in the wrong site. you need to get with the times a little bit. lol i don't know. what do you think? well, as you can probably tell by now, i have not been doing very much at all. not that i don't love movies, because i do, but the last time i remember posting here was sometime around december of last year. and it's been way too long since then, so i guess i'll just give a quick summary. i went to college in june of last year and i just finished my last class today, so, i can honestly say, that i am officially done with college. so, for those of you who know me, i am now free to do whatever i want. and i have been doing what i want, because i have not been doing much at all. i have been.. doing anything. lol. i dunno. i have been reading a lot, but i don't think that anyone will really be able to blame me for that. i mean, it's not like reading has really been keeping me in the movies. i don't know. i just didn't want to start a new blog, because i'm tired of doing that. you know, having to start new blogs, going back to my old blogs, and all that, you know what i mean? but anyway, this is where i am now. and i don't even know where i'm going. i'm just kind of moving in my free time. and i plan on having some time with my girlfriend, because i really haven't seen her in a while, and i want to spend some time with her. so, i'm going to go do that, but i'll probably be back in a few days. bye.

cost associated with enrolling in either of these retirement options. Each state determines the maximum amount of aid it will provide to each child (or each family) in its care.
