A rich corpus of media arts lies the tradition of the puranas and it is a rich mine for the study of Hinduism and its forms. They speak in various sub-branches, among them, the epics of Vayu (Wind), the Mahabharata of Vayu and Maheswara, the Ramayana of Valmiki, Shrimad Bhagavad Gita of Sri Krishna, the Harivansh Purana of Srinath ji, the Padmapuran of Jvalamitra, the Shankaracharya of Bhaskaracharya and the Bhakti of Tulsidas, etc. All these works have attempted in their own way to give a message to the people and thus, they qualify as medium of instruction. Even the ragas and the songs have their creative efforts and quest for expression. In addition to the story of Krishna, the Bhagavata has a lot of stories like those of Balarama, and Balaki or of Satyabhama etc. The Purana mentions various places of Krishna's pastimes like Vrindavan, Dwaraka, Gokul etc. The most important place is Dwarka. The Govinda is a component of almost all Vaishnavas. The word itself means the lover. Vishnu and Krishna are never separated. In fact, Vishnu shows his face in Krishna. The whole life of Krishna is written in the Bhagavata. While the Bhagavata is written in Sanskrit, the Geeta Govind , one of the Kabirdotans of Jayadeva is written in the Oriya language. The Geeta Govind was composed about a century after the Bhagavata. The language of the Geeta Govind is very old Sanskrit. The time of the poet Jayadeva is also unknown. Srikantha believes that he lived sometime in the middle of the 8th century. This makes him a very ancient poet.

Dear devotees, here we are offering pdf download / Garud Puran pdf in Gujrati. Garud Puran In Gujrati is one of the Hindu Purana deals with specific issues of Hindu philosophy connected with death, funeral rites, and reincarnation. As per the Garud Puran, we will have to pay the Karama for whatever we do in our life. Garuda Purana in one of its many chapters defines the nature of punishment that is prescribed for sinners of the extreme kind that inhabit the middle earth which works as a guide for human beings. Many people are looking for the Garuda Purana in Gujarati PDF Gita Press but are not able to get it. A major source for the Vishnu Purana is the Vishnupurana, also known as Skanda Purana. The Vishnupurana is one of the five main nava (group of 10) Puranas, and is reputed to have been written by the sage Narasimha in the 6th century BCE. The term Vishnu Purana is usually taken to be a misnomer as it is unclear who the author was. The term has been used since the 10th century CE to refer to all the texts dealing with the Vishnu-avataara (incarnation of Vishnu), including the Bhagavata Purana, Vishnu-Smriti and the Puranas like the Harivamsha and the Vishnu-Vaikhanasamgraha. In India, the Vishnu Purana is regarded as a fourth important Purana after the Bhagavata Purana, the Ramayana, and the Mahabharata. The essential story of Krishna

and the Yadava king Nara Narayana is recounted by the Shrimad Bhagwat Purana. This is an adaptation of the Harivamsa Purana and a later author is considered to be the author of this version. This Purana is itself an expansion of the Vishnu Purana on the life of Krishna. It also chronicles the history of Krishna's marriage, and also his parents and the divine play of the Yadava clan. 5ec8ef588b
