
Supreme Commander 2 Game Prefs Download ((HOT)) Free

The download site has a picture of the publisher in the form of text at the top, so that the downloader can easily identify who owns the game. And unlike the last time I had to download a GOG game, this time I could actually give real information to the publisher. Published by the Electronic Arts division, the publisher information. Company name, contact information, publisher website are all provided (in this case, according to Wikipedia). Its hard to blame Supreme Commander 2 developers for filling the site with information about the game. But, still, not so hard to blame them for the poor quality of its download site. Supreme Commander 2 Game Prefs Download Free is the sequel to Supreme Commander, a real time strategy game which was published and released by the EA Games with Supreme Commander 1 being published and released in 2004. Even though I was impressed by the Supreme Commander 1 gameplay, I was ready for something else. Especially with the rumors that there were no save-games in Supreme Commander 2 skirmish mode. Besides, the "old" graphics style seemed a bit dark at times, and the in game audio was nothing special either. But, of course, when I got the game, I was in for a surprise. The premium elements of Supreme Commander 2 make it a game worth every \$30. Read the Supreme Commander 2 review to find out why.
