## Tomb Raider Anniversary License Expired

while there were a few highlights during the ps4 and xbox one event, one of the most incredible moments of the conference was when tomb raider creator, angel studios founder, and leader, ron froehlich, was interviewed by geoff keighley. in the interview, froehlich went into detail about how great tomb raider games as much as he loves the series, he loves chronos. froehlich said how, since the game is now going to be developed by eidos, him and ron carmichael are going to make sure that the game is true to the series. the feature was part of the interview between froehlich and keighly where froehlich talks about how he started crystal dynamics in 1991, as well as his gamecube adaption of tomb raider. he went on to say how the 2013 game was under his watch, he wanted to make tomb raider 25. when it came to tomb raider, froehlich said that he wanted the new game to be something special. since the announcement of tomb raider in 2016, hollywood has been trying to leverage the reboot to make a big film. infamous fangirl and director, neill blomkamp, has tried to make a film based around the reboot. his movie was going to be set in the near future with a female in lead role, and focused on a surviving lara in a future city after a global catastrophe, and it never came to fruition. but that didnt stop blomkamp from trying to get this movie made. if you want to play it yourself, you can download the game rom from gamefaqs here - the link is your best bet. if you pay, youll get the advantage of an online splitcreen multiplayer game mode in addition to the single player campaign, and youll get it on a playstation 3, xbox 360 or wii, too, for those of you who havent yet developed the means to play it on the original xbox.

topps? a new statement on  
the topps website just to  
explain the issues that are  
circulating in the toy & action  
figure world. the bottom line  
is that topps and its licensees  
are not currently supplying  
toys and action figures to  
retailers but they do have  
plans and intentions to supply  
them. and, that topps and its  
licensees will produce

---

products in 2013 and it is also a plan to have toys and action figures available to buy. fans can buy action figures, life-size plush dolls and merchandise that will be available at retail outlets. thanks for your patience while we work to get the products available to you. we apologize for the confusion and concerns we have caused for the topps fans. we will keep fans updated as we have more information to share. thanks
