Try to locate more information on the file in the registry, including the history, search for and find the malicious content, and remove these items to clear the malicious content from your computer. It's a really cool app. I use it to create new creations for Sims! You can use any of your own photos as a character and this app will make it look like it's right out of the photo! I just did this with a photo I took of the space from a terminal. Love how this works, it makes Sims from your own image in a matter of seconds. I just downloaded this and am really enjoying this as a quick way to make an avatar that I actually want! I can do about anything I want. Simple, easy, and efficient. Great program!!!! It can't be beat! I recommend it to anyone who would like to make a personalized avatar and not have to spend hours downloading and editing pictures. how can I recover deleted items? You can recover any deleted item from your iPhone 4/3G, iPhone 4S or iPad using Kroll Ontrack.
