So, maybe it is not what it seems at first sight. English is a language of power: if you speak it, you can become the boss or the victim. Language is a country, a society. Playing language tricks with words, as my friend Jihan Mehdinejad says, you can win the battle, lose the war or get the reward you seek. In any case, it is nice to be on the winning side of the game. Jihan`s book Exploring EFL in Saudi Arabia is a great guide, an insider`s. I found it easy to read and informative.
